

**Universal Declaration of Yahweh's Law :(Kingdom of Arzareth) - House of
Israel and House of Judah);
Expressed hereby under Claim of Right:**

**THE NEW COVENANT WITH ISRAEL AND JUDAH
(JEREMIAH 31:31-37)**

31Behold, the days come, saith the LORD, that I will make a new covenant with the house of Israel, and with the house of Judah: **32**not according to the covenant that I made with their fathers in the day *that* I took them by the hand to bring them out of the land of Egypt; which my covenant they brake, although I was an husband unto them, saith the LORD: **33**but this *shall be* the covenant that I will make with the house of Israel; After those days, saith the LORD, I will put my law in their inward parts, and write it in their hearts; and will be their God, and they shall be my people. **34**And they shall teach no more every man his neighbor, and every man his brother, saying, Know the LORD: for they shall all know me, from the least of them unto the greatest of them, saith the LORD: for I will forgive their iniquity, and I will remember their sin no more.**35** Thus saith the LORD, which giveth the sun for a light by day, *and* the ordinances of the moon and of the stars for a light by night, which divideth the sea when the waves thereof roar; The LORD of hosts is his name: **36** If those ordinances depart from before me, saith the LORD, *then* the seed of Israel also shall cease from being a nation before me for ever. **37** Thus saith the LORD; If heaven above can be measured, and the foundations of the earth searched out beneath, I will also cast off all the seed of Israel for all that they have done, saith the LORD.

Preamble:

Recognizing and agreeing that; *“All acts of the legislature apparently contrary to natural rights and justice are, in our law and must be in the nature of things, considered as void. The laws of nature are the laws of God [Yahweh, the Creator], whose authority can't be superseded by no power on earth. A legislature must not obstruct our obedience to Him from whose punishments they cannot protect us. All human constitutions which contradict His laws (God's [Yahweh, the Creator's]), we are in conscience bound to disobey.”* (1772, *Robin v. Hardaway*, 1 Jefferson 109.); and

Knowing that we are peaceful man and woman, who may be referred to by that name which is called : Kingdom of Arzareth, and that we are expanding this reach of discourse in good conscience and according to our inherent free will to express ourselves, and in order to maintain Yahweh's honor and ensure maximum clarity between us (Kingdom of Arzareth) and all agents of domestic governments and international governing bodies, concerning our peaceful life as well as our desire to avoid all conflict, and to live lawfully and peacefully on and within the geographical land mass commonly known as the country of the United States of America and Canada (the Americas), and elsewhere from time to time as the case may be; and

Having lawful capacity as Yahweh's people of adequate age to comprehend the difference between our Creators given fundamental natural rights and freedoms, being those rights and freedoms that are intrinsic to our being and are inalienable, and that we are born with and enjoy by the fact of being alive, and that are neither created nor can be abrogated in whole or in part by any government or by any other individual, as distinct from those *“human rights”* and *“legal rights”* as otherwise defined and fabricated by men, and knowing that it is irrefutable that a right is not a compulsion;

And realizing that it is our duty and obligation to freely choose, and to eliminate all ambiguity by removing any presumption and assumption and potential for confusion, therefore it is our further duty and obligation to declare and to make known by this instrument, our choice as to whether or not to exercise all or any of the optional *human rights* or *legal rights* as defined and set forth in,

but not limited to the following instruments, declarations, charters, treaties, covenants, bills or other acts of governments and men and women, which although not directly appended hereto, shall each be considered incorporated herein by reference in their respective entirety:

Having the further capacity to comprehend that *legal rights* and *human rights* entail both rights and obligations, We hold an excellent appreciation for the ***United Nations Human Rights Council**, which currently enjoys a mandate to monitor and enforce the obligations of its member States to protect and fulfill *human rights* for everyone, everywhere; and

(*See “Appendix A”, entitled “**SC-6.5 - Human Rights Enforcement:**”, attached hereto and incorporated herein by reference in its entirety.)

Knowing that our Creator [*Yahweh, the one true God*] has blessed us with his own family according to His will, it is therefore my natural duty and obligation to accept all responsibilities to provide for our own family, to protect our own family, and to honor the inherent natural rights and needs of our own family, and to make just claim to any rights for each member of our own family, whether natural rights, *human rights*, or *legal rights* on their respective behalf, at our sole unfettered discretion and according to our and God’s will; and

Knowing that we are to be considered and respected by everyone as being equal in all ways to all men and women everywhere, and as having been born on this earth and as having been created to enjoy my fundamental natural rights and freedoms together with our free and unfettered share of the dominion over the earth equally with all men and woman everywhere; and

Knowing also that it is both our duty and our obligation to accept and to cherish with a clear conscience that inheritance which our Creator has blessed us with, particularly our free will to express ourselves together with the naturally inherent knowledge of what is right and what is wrong behavior between men and woman, we are bound therefore to express our intention to

respect the natural rights and freedoms of all people, to do no harm to any others, and to respect their choices made and expressed, and to honor our Creator by accepting His most gracious blessings as our just inheritance with all thanksgiving; and

Knowing also that our well pleased that the administrative body of men and women operating as the government of the country and nation commonly referred to as United States of America and Canada, declares itself to be “*founded upon principles that recognize the supremacy of God and the rule of law*”:

NOW THEREFORE, in this instrument, the words “our”, “people”, “men”, “women”, “ourselves” “own” , and “his” “us” “we”, and all declarations and claims and other petitions made herein in association with any of the words “our”, “people”, “men”, “women”, “ourselves” “own” “us” “we”, and “his” shall be deemed to apply equally and severally to each of persons of the Kingdom of Arzareth, who may be referred to by that name which is called, : children of God, or the name they chose or God chooses for them who may be referred to by that name, as living members of Yahweh’s family dwelling peacefully under his protection and authority, as if each of them had made this instrument as their own declaration of their own private law under claim of right;

AND NOW THEREFORE being that it is our duty and responsibility to express our free will and to make our free will known to all men and women everywhere, We do make this instrument as a record of our Declaration under our Claim of Right on behalf of ourselves and on behalf of each member of his/her family, to establish and secure our God given laws regarding our Creator given fundamental natural rights, our claimed *legal rights* and our claimed *human rights* insofar as these may apply to us and to each member of our own family; and

ii) We claim our ***liberty at all times in the form of all of our Creator given fundamental natural rights and freedoms, some of which are recognized in the “USAR” “UDHR”, and some of which are recognized in the “IBHR”, and some of which are recognized in various other domestic and international instruments, declarations, charters, treaties, covenants, bills or other *legal acts* of governments and men; and
(***see “Appendix C”, entitled “**P- Definition of Liberty:**” attached hereto and incorporated herein by reference in its entirety.)

iii) We claim our natural and human right at all times hereafter to waive and to not exercise our “***right to recognition everywhere as a person before the law***” ****Article 6, “UDHR”, and ****Article 16, ICCPR, and to exercise my right not to be compelled to have a *legal* name or to be enjoined with a *legal* name ****Article 24, sub-clause 2: “ICCPR”, and instead invoke our right to be recognized and treated everywhere as a competent man or woman of capacity born of God’s creation (*a living human being*); and
